ORDER:

In the reference read above, the Chief Engineer, North Coast has submitted that VKMN Janjhavati Reservoir Project is an ongoing medium Irrigation Project across river Janhjavathi near Rajyalakshmipuram (V) in Komarada (M) of Vizianagaram District. The spillway regulator, earth dam and Low Level Canal from Km.0/0 to Km.14.940 were completed during 1980's. Rubber dam was erected in the river gap portion of non over flow dam to divert river water into canal during 2005. Providing Lift Irrigation to IR distributory system is one of the component of Package-II work. As per agreement conditions, the contractor has looked after the Operation and maintenance of the scheme for 2008-09 & 2009-10 Khariff seasons. Further the agency has maintained the pump house upto 2013 from then the agency has stopped the work thereafter the Department is releasing water by operating pump using man mazdoor as operator who was not fully acquainted with electrical system.

2. For smooth/regular operation of pump house during Khariff season in order to supply water to the ayacut, it is necessitated to prepare an annual maintenance estimate. The Chief Engineer, North Coast has, therefore, submitted the estimate and requested to accord necessary administrative sanction for the above work for an amount of Rs.33.98 Lakhs before this Khariff season.
